## BFD SHOCK PACK 0,3m

### GENERAL

Art. no.:	L-AUS-0005-AT	E-class number:	40-02-01-04
EAN:	4030281162308	Customs no.:	58063210

## Data sheet

### BFD SHOCK PACK 0,3m

The BFD Personal Energy Absorbing range are all designed to effectively arrest a fall whilst minimising the shock loads on the body. The 'Tear Tape' technology shock pack utilises a controlled tearing action that is initiated when the lanyard is 'loaded' during the fall and limits the fall arrest forces to below 6kN. The shock pack features a unique Velcro attach cover that provide a 100% inspection as well as the potential to clean & dry the pack contents if necessary. The cover is also designed to protect the label pack, conveniently sewn into the tear tape material.

#### GENERAL

Internat. standard:	AS/NZS 1891.1:2007
---------------------	--------------------

---

#### FEATURES

Hand-washing:	40 °C
Max. service life:	10 Years
Max. number of persons:	1
Temperature:	from 45 °C to -35 °C

---

#### DIMENSIONS

Weight:	0,44 kg
---------	---------

---

#### HARDWARE

Carabiner on anchoring point side:

ATTACK

---

Carabiner on belt side:	ATTACK
-------------------------	--------

---

#### MATERIAL

Material:	Polyamide, Aluminium
-----------	----------------------

---

Webbing material:	Polyamide
