

mUNIT OMNI SUPPORT

ONLY FITS
ERICSSON EQUIPMENT

THE mUNIT OMNI SUPPORT is designed for installation of two small omni antennas on one mRRU or one mRBS unit.

FLEXIBILITY

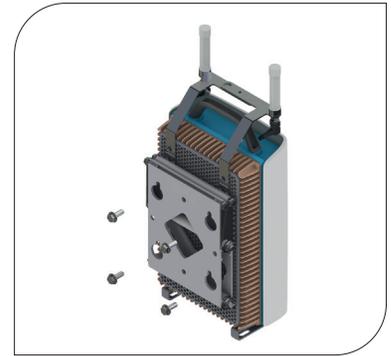

Thanks to the design of the mUnit Omni Support it allows the omni antennas to be mounted either in a vertical or a horizontal position on the mRRU/mRBS unit. For wall, pole, mast and tower installation the mUnit Omni Support is always mounted together with the mUnit Base Mount.

QUALITY

All components are made of acid proof stainless steel which gives the support excellent corrosion resistance.

EASY ASSEMBLY

Handling and installation is very easy thanks to the light weight material of the product.
